

DiagramEditor::Gui
::SelectableDataButton
::upperIconButton

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains three lines of text: 'DiagramEditor::Gui', '::SelectableDataButton', and '::upperIconButton'. The right box is white and contains three lines of text: 'DiagramEditor::Gui', '::SelectableDataButton', and '::SelectableDataButton'. The blue arrow indicates a transformation or mapping from the left state to the right state.
